

Dear Mr. Tom Cardiff, Scout Executive:

Three Scouts from the Coastal Empire Council have been selected by the International Committee of the BSA to participate in the Boy Scouts of America/Scout Association of Japan Exchange Program in February 2010.

Kenneth Bedwell, Ogeechee District  
Stephen Morrison, Tidelands District  
Jackson Pittard, Tidelands District

What an honor it is for these young men to be selected and what an honor it is for the Coastal Empire Council! Let's promote the success.

It is highly unusual for three Scouts to be selected from the same council. Thanks goes to Justin Galemore, our first Scout to participate; he must have made a positive impression on the International Committee.

Sincerely,  
Pete Mastopoulos
